

Rocky Mountain Pediatric Neurology & Sleep Medicine

Appointments

We recognize that your time is valuable, and we strive very hard to be as punctual as possible, but we need your help in doing so! We request that all patients (even established ones) arrive 15-minutes early. This allows us to update your address/insurance information and check your vital signs before you see your provider. Arriving early allows you to spend more time face-to-face with your provider rather than filling out forms!

In fairness to our other patients, we regret that patients who arrive more than 15 minutes late may have to reschedule their appointment. Patients who cancel within 24 hours or fail to show for an appointment may be billed \$40.

For new patients, please download and complete the following forms and bring them to your first appointment.
